Chim-A-Lator®

The Stainless Steel Adjustable, Top Sealing Fireplace Damper

The Chim-A-Lator® Deluxe easily mounts on top of a masonry fireplace flue and is operated by a convenient, adjustable regulator installed on the side wall of the fireplace. It is far more efficient than conventional cast iron dampers and the ideal replacement for old defective dampers. Proven for over 30 years to be the most trouble free top sealing damper.

Designed not to fall down in the event of a chimney fire

- Easy bolt-on installation
- Spark arrestor standard
- 4 ea. stainless springs
- Damper opens 6 inches

Features

- 100% Stainless Steel
- 17 standard sizes
- Lifetime warranty – best on the market today.
- If within 30 days, you or your customer are not fully satisfied, return the Chim-A-Lator® for a full refund.
- Comes fully assembled for fast and easy installation.
- Six setting regulator controls the amount of draft to produce more heat when burning.
- Chimney fire tested with little or no damage to unit damper. Will not fall and block flue in the event of a chimney fire.
- Saves energy. Tight seal on top of the chimney, keeps heat in when fireplace is not in use.
- Prevents down draft smoking caused by wind.
- Keeps out animals, birds, insects, bees, rain, leaves, wind and airplane noise.
- Frequently recommended for airport noise abatement project
